

發展局於 2025 年 3 月 19 日的回覆

敬啟者：

感謝貴會對香港城市發展的關注和支持。就貴會對職稱評價工作的意見，本局回覆如下：

根據廣東省人力資源和社會保障廳及廣東省科學技術協會聯合發佈關於港澳專業人才職稱評價的工作方案，申報職稱評審資格的其中一個先決條件是申請人須是相關本地建造業法定專業學會的注冊會員。現階段，職稱評審除了涵蓋 2024 年的五個試點工程專業之外，其評審機制亦將於今年年中常態化，並擴展到其他具備條件的建造業相關專業（包括更多的工程專業界別、工料測量和建築專業）。展望未來，發展局會與香港建造業相關的法定專業學會以及內地相關部門保持密切溝通，全力推展職稱評價機制至合適的專業界別。

我們從貴會的網站上得悉本地建造業五個法定專業學會的會員均可申請成為貴會會員。鑒於此，希望貴會可鼓勵會員透過相應的法定專業學會申報職稱評審，積極融入國家發展大局。

再次感謝貴會對職稱評價工作的關注和支持。

Wed, 19 Mar 2025 Reply from Development Bureau

To whom it may concern,

Thank you for your attention and support to Hong Kong's urban development. Below please find our reply to your comment regarding the Professional Title Evaluation Mechanism:

According to the work plan for the Professional Title Evaluation Mechanism for Hong Kong and Macau professionals jointly issued by the Human Resources and Social Security Department of Guangdong Province and the Guangdong Provincial Association for Science and Technology, one of the pre-requisites for being eligible for application for Professional Title is that the applicants are registered members of relevant statutory professional institutions of the local construction sector. At the current stage, in addition to covering the five pilot engineering professions for 2024, the Professional Title Evaluation Mechanism will be regularised by mid-2025 and extended to other construction related professions with the right conditions (including more engineering disciplines, quantity surveying and architecture). Looking ahead, the Development Bureau will maintain close communication with Hong Kong's construction-related statutory professional institutions and relevant mainland departments to actively promote the Professional Title Evaluation Mechanism to suitable professions.

We note from HKIUD's website that members of the five statutory institutions in the local construction sector can apply for HKIUD's membership. In light of this, we hope your institution could encourage members to apply for the Professional Title assessment through the corresponding statutory professional institutions thereby facilitating the integration of the local construction industry into the overall development of the country.

Thank you again for your support to our work in promoting the Professional Title Evaluation Mechanism.
